In April 2017 we lost a wonderful, beautiful and loving person, Mrs. Georgia Kondoleon, our “theia” (which means “aunt” in Greek). Georgia was diagnosed with Ocular Melanoma back in 2012 at 40 years old. She was cancer free for 3 years and then it reappeared. She leaves behind her sons George and Dino, and her husband John. This year’s golf outing is in memory of her and our proceeds will benefit the Ocular Melanoma Foundation, which is the only foundation that is dedicated to finding a cure for this rare form of cancer. Only 2,000 people a year are diagnosed with ocular melanoma, thus it does not receive as much attention or funding as other forms of the disease. We would like to thank all of our sponsors, volunteers, golfers, friends and family for participating in this event for such a good cause. Our Theia Georgia was lost too young, but we are keeping her memory eternal. In the past 2 years we have held this tournament, we raised over $40,000 for OMF, to bring awareness and help fund research to help cure this devastating disease.

Our family hopes you have a pleasurable experience at our event. If you have any questions, please contact Mike Dontas Jr at 484-357-9577, or mikejr@copperheadgrille.com.
